Sir:

PRELIMINARY AMENDMENT (AMENDMENT A)

The above referenced application, enclosed herewith, is a U.S. national stage filing under 35 U.S.C. §371 of International Application No. PCT/EP2004/014143 filed on December 13, 2004. Examination of this application is requested following entry of the following amendment.

Amendments in the SPECIFICATION begin on page 2 of this paper.

Amendments in the CLAIMS are reflected in the listing of claims which begins on page 3 of this paper.

The present amendment is made to an English language translation of the international application as originally filed with Claims 1-9. Amended claims 1-6 were submitted during international stage (an English language translation of the amended claims are provided herewith as an annex to the International Preliminary Examination Report). These amended claims have been considered in preparing the present amendment.

Remarks on the present amendment begin on page 7 of this paper.
